**DFC/PB-1.** Please confirm that some customers who rent postage meters must pay their meter manufacturer a fee every time they reset their meter by telephone. If you do not confirm, please explain.

**DFC/PB-2.** Please confirm that the Postal Service's requirement that meter customers upgrade to electronic meters and that these customers reset their meters by telephone has caused some meter customers to incur charges for resetting, whereas these customers previously could take their mechanical postage meters to the post office for resetting at no charge. If you do not confirm, please explain.
